A. Policy:

Any group or agency seeking the right to solicit in the Oklahoma State University Student Union and adjacent outdoor spaces must seek prior approval.

Solicitation is defined as advertising, order-taking, sales, donations, proselytizing, campaigning (political or other) and collection and distribution of literature.

OSU Student Union is defined as an area within or adjacent to the Student Union for which the Director of the Student Union has responsibility for scheduling. Any of the above agencies of the University can sponsor groups to solicit within the Student Union and adjacent outdoor spaces with the approval of the Meeting and Conference Services Manager or Director of the Student Union.

Sponsoring organizations/departments understand and agree to assume all responsibility for non-OSU group activity to include policy compliance, event charges and damages. A contact person for the sponsoring and sponsored organization must be designated. Sponsoring department along with representation of the sponsored group must have a presence during solicitation.

Solicitation by all groups is limited to designated and approved areas and requires a solicitation permit by Student Union Meeting Conference Services. Co-sponsorship is only allowed by University departments and recognized campus organizations. Sponsored groups will be required to purchase a solicitation permit and complete a co-sponsorship form. This permit is issued on a semester basis at a charge of \$200.00 per sponsored group. Permits are non-transferable and expire the last week of each semester. Non-university and non-university sponsored groups will be assessed a base table fee of \$250.00 per day for non-premium space and \$350.00 per day for premium space. This permit authorizes the group to solicit in designated areas only. These designated areas are categorized as premium and non-premium spaces. The non-premium spaces are specifically defined inside the Student Union building as the basement lounge and areas on the second floor to include the lounge area at the top of the University Store entrance (also referred to as the Blue Key lounge) and the area adjacent to the Center for Ethical Leadership.
